## The Thanksgiving “Appetizer”

The WSC final lake weekend is quickly approaching for 2017. All your favourites are back... the Rum Barrel Regatta, the Thanksgiving Regatta and the Thanksgiving dinner.

As per usual, the appetizer for dinner will be some pickin’ up and puttin’ away. The Fun Activities will include, but are not limited to:

- Fetchin’ the pier
- Ramp sliding
- Power boat put-away & motor draining
- Barge power-pull
- Powering down the trailer park (empty your refrigerators!!)
- Water system blow-out
- Final clean-up

## WSC Thanksgiving Dinner

Sunday October 8, 2017 @ 4:30 pm

\$15 for adults, \$7 for children (4-12),

3 and under are free

Ticket deadline October 5th

Purchase your tickets

at our [Members](#) website under the events tab.

Typically, this is faster than the May clean-up/set up, but as usual the more hands the better. So, bring your wet suits, gloves and snow shovels (optional this year?).

The activities will begin shortly after the Thanksgiving Regatta on Sunday, October 8th.

Be there .....and be hungry.

The Shore Captain Team

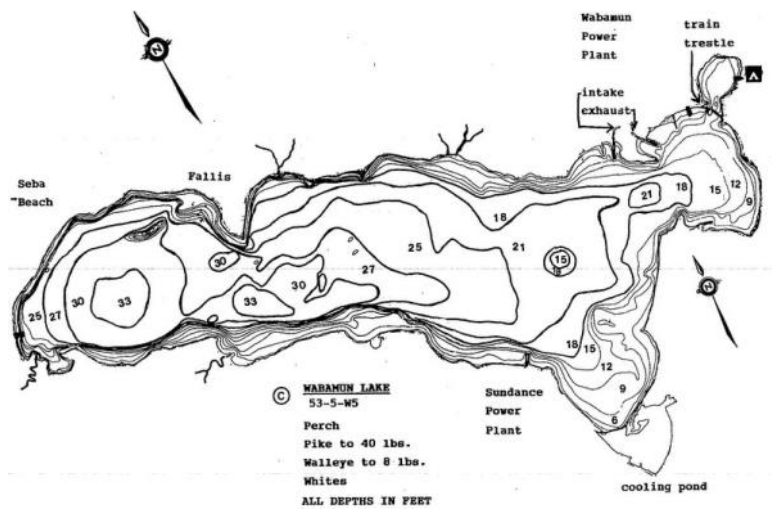

A tight rounding at the leeward mark

### WSC Laser Regatta

Nine boats attended the 2017 WSC Laser Regatta on September 23rd. Last years winner, Mark Bugiak, failed to appear to defend his title but there were plenty of challengers. Russel Krause managed to win it this year with consistent top three [results](#) in winds averaging 5-6 knots. Eric Lobay, 2nd place, was observed to capsize on one downwind leg of the last race but he says that he got it righted before he lost any positions.

## Eastward Ho

Rick Stoppel set a beautiful course for the 2017 version of the WSC Eastward Ho. The originally scheduled Saturday was a bit too blustery, so he postponed it to the following Sunday, September 17th. This was a good decision that allowed the mixed fleet to race to the eastern end of the lake and then back to the club after a mark rounding near the Sundance power plant. That days south-easterly breeze made for a nice combination of close hauled sailing and reaching in approximately 6 knots of breeze.

Line Honors were awarded to Bruce Barss and his F16 Blade, completing the course in 67 minutes.
